Mr. Bhisham Wadhra
Chief Executive Officer

Despite relatively challenging market conditions due to wave 2 of Covid, the Company reported Gross Sales Value of Rs. 3,371 Crores and Net Profit of Rs. 210 Crores during H1 FY22. Also, our EBITDA margin has improved to 8.5%. This was made possible by significant efforts and recovery in businesses. We are hoping to carry the momentum forward to the rest of FY22.

Godfrey Phillips delivered cigarette domestic gross sales value of Rs 2826 Crores. Domestic sales are improving sequentially quarter over quarter as the economy moves towards normalization. Our topline performance has been supported by an increase in export of unmanufactured tobacco with the international business growing to Rs. 282 Crores.

Gross Sales from 24Seven Convenience Stores (TFS) in H1 FY22 was Rs. 199 Crores, an increase of 18.6%. The number of stores stand at 93 at the end of September 2021. TFS remained open during the 2nd wave of Covid and provided all types of essential goods to consumers. However, the TFS business is now trying to address the issue of more and more consumers opting to shop online.

Amidst the Pandemic, the safety of our workforce was our top priority and therefore, we had prepared safety guidelines to ensure their well being. It gives me immense pleasure to see that the employees have adapted to the new working norms and shown full dedication to ensure continuity of business operations.

Godfrey Phillips was yet again certified as India's Best Companies to Work For in June 2021 and improved its ranking to 28 from 29 in 2020. This is in addition to amongst being India's 30 Best Workplaces in Manufacturing 2021 in the Great Place to Work survey.

Community Development Program for Burley Tobacco Farmers

Program Objective : Tobacco is the core component of Company's product.

The marginalized farmers community need to be protected to ensure;

- Sustainable livelihood,
- Tobacco farming for business sustainability.
- Business growth through improved crop quality and better output .
- Stakeholder management as most programs are in partnership with Govt. bodies and Tobacco Board .

Context: Area falls under drought prone area and the poor farmers/labourers are caught in the trap of seasonal employment, low income leading to lower bargaining power, increased debts and downward trend in labour wages. These issues drive larger community issues such as low access to safe potable water as the region has high fluoride content, lack of community sanitation and hygiene, limited access to education and skills beyond farming, and with non-availability of social protection, the children of farmers & labourers get pushed into child labour.

Program Goals

- Short term goals are to ensure farming efficiencies to provide sustainable livelihood.
- Long term plans, a necessity for sustainable business, are aimed at water and environment conservation to manage climate change that impact agriculture.

156 villages in Guntur district have been identified in total for outreach.

The social initiatives of Godfrey Phillips are in line with the UN SDG's for livelihood, education, water & sanitation, environment and climate change.

Initiatives under Community Development Program for Burley Tobacco Farmers

Elimination of Child Labour

- 50 After School programs keeping children back after school
- School infrastructure development
- Awareness workshops on child labour

Augmented Earning

- 56 Farmers Development Society
- Women empowerment program through micro entrepreneurship

Water & Soil Conservation

- 20 check dams & 7 farm ponds
- 22 de-siltations to increase tank capacity and extract fertile top soil
- Borewell recharges for RO plants
- Waste water usage of RO plants
- 17 acres of bio diverse plantation
- Pilot Solar Plant

Safe Water & Health

- 35 Community RO Water Plants
- 45 Health camps annually
- Awareness camps on COVID care

Impact , Awards & Recognitions for Godfrey Phillips Program

Impact :

- Better quality and higher volume of tobacco produce for farmers who are now earning more. More farmers want to enroll with improved tobacco farming.
- Check Dams have led ground water table increase by about 20 ft.
- Desiltation enabled increase in storage capacity of the tanks.
- Villagers are getting to drinking RO water.
- Solar Plant saved energy consumption for Panchayat.
- Zero cases of child labour reported.
- Attendance reaches 92 % in after school programs.

About 2,00,000 villagers are direct and indirect beneficiaries with outreach in 85 villages.
