# More Clarity of AGR Dues

## Tussle Over AGR Math

**WHO NEEDS TO PAY HOW MUCH MORE?**

**₹25,976 cr** AIRTEL  
**₹50,400 cr** VODAFONE

**TIMELINE** - Over 10 annual instalments through March 31, 2021

**Airtel & Vi insist that they have paid 10% of AGR dues & their next instalment is on March 2021, but DoT believes it is on March 2021**

appear to be once again focussing on the government's failure to provide a clear explanation regarding a reassessment.

"I and Airtel have informed DoT that they need to know the AGR dues and ask the government to explain the method used to arrive at the due amount. So far there has been no response from the government," said a senior executive.

# Applause Ent to Invest up to ₹4kr in Next 3-4 Years: Nair

**Gaurav Laghate**

**Mumbai:** Kumar Mangalam Birla-owned content studio Applause Entertainment expects to invest up to ₹4,000 crore in the next 3-4 years as part of a plan to expand across film, animation, factual entertainment, and gaming verticals.

"We are ready to back the right priorities. So far, we have invested and reinvested close to ₹400 crore the last three years, and I anticipate this number to go up by 10X in the next 3-4 years," Sameer Nair, CEO of Applause Entertainment, said. "It will be a mix of fresh 're-investment'."

Nair had joined Birla to launch Applause in August 2017.

When he launched Applause, he anticipated the need gap for quality premium drama. We had a unique 'hub and spoke' model, where we did the entire content, from identifying the right content to getting the right talent and investing. Three years as sort of played out quite well, Nair said.

"I want to take this model and it across new verticals. We will continue to do so. We will add movies, infotainment and gaming to our expansion plan, while our whole philosophy. We work with people who want to do things, and sort of co-invest and expand this space of thing," said Nair.

The success of 'Scam 1992: The Great Indian Bustle' and 'Mehta Story'.

In three years, the studio has shown across top digital platforms and between the lines are in the development including the Indian Call My Agent', 'Lutuda'. "From almost a decade ago, when we released 'Criminal Justice 1992', it's been an eye," said Nair.

# Trump Sues to Block Pennsylvania from Certifying Biden's Victory

**Washington:** US President Donald Trump's campaign on Monday filed a lawsuit in a Pennsylvania federal court, seeking to block state officials from certifying President-elect Joe Biden's victory in the state.

The lawsuit, brought by the campaign and two registered voters, alleged Pennsylvania's mail-in voting system "lacked all of the hallmarks of transparency and verifiability that were present for in-person voters."

The lawsuit claims Pennsylvania violated the U.S. Constitution by creating an illegal two-tiered voting system where voting in person was subject to more oversight than voting by mail.

It was filed against Pennsylvania Secretary of State Kathleen Boockvar and the boards of elections in Democratic-leaning counties that include Philadelphia and Pittsburgh. Boockvar's office did not immediately respond to a request for comment.

The president, who has spent months trying to undermine the election results with unproven allegations of fraud, has pledged to go forward with a legal strategy that he hopes will overturn the win in Tuesday's vote.

The results computer and certification process allegedly violated the U.S. Constitution by creating an illegal two-tiered voting system where voting in person was subject to more oversight than voting by mail.

## BIDEN ERA BEGINS

Separately some Republican state legislators in Pennsylvania on Monday said in a press release that they would call for a legislative audit of the 2020 election and demand election results not be certified, nor electors be seated, until the audit is complete.

In the US, a candidate becomes president by securing the most "electoral" votes rather than winning a majority of the national popular vote. Electors generally cast their vote for the winner of the popular vote in their respective states. They are slated to meet on Dec 14.

Edward Foley, who specializes in election law at the Ohio State College of Law, said the audit "shouldn't stop the certification of the vote without changing the law." —Reuters
